

# Al-Shebaab, and Mosques And Madrasas, Even In Uganda

Boko Haram on one side of sub-Saharan Africa, Al-Shebaab on the other. Black Africans persecuted, pillaged, enslaved, murdered by Muslims who think of themselves as Arabs, in what is now Southern Sudan. Arab slavemasters, black African slaves, in Mauritania and, informally, all over the Maghreb, slave-like conditions for black African workers and domestics.

Did you know, or did you know but then forget, about the Al-Shebaab bombs in Uganda? Did you know about the measures of self-defense taken in that country, the shutting down of some madrasas, and the Muslim reaction to it? Read [here](#).
