

Amedy Coulibaly: I Take My Orders From The Islamic State

Whether, like Amedy Coulibaly, Muslims in France take their orders from the Islamic State, or from a wild-eyed or smooth imam, or from what they read in the Qur'an and have glossed by the Sunnah, any Muslim in France who follows such orders is a permanent threat to the well-being of the non-Muslims among whom he has been allowed to settle.

About Amedy Coulibaly, the dim-witted drug dealer from an immigrant family with 10 children who became a Muslim fanatic, to give order and system and justification to his wretched life, more [here](#).
