

American Hostage Kayla Mueller Had Been Raped Repeatedly by Abu Bakr al Baghdadi

[Kayla Mueller](#) was repeatedly forced to have sex with [ISIS](#)), U.S. intelligence officials told her family in June.

“They told us that he married her, and we all understand what that means,” Carl Mueller, Kayla’s father, told The Associated Press on Friday, which would have been his daughter’s 27th birthday. Her death was reported in February.

Her mother, Marsha Mueller, added, “Kayla did not marry this man. He took her to his room and he abused her and she came back crying.”

The news is but the latest in a litany of horrors perpetrated by ISIS, which has beheaded, burned and crucified male captives while passing around women as sex slaves.

Mueller was held for a time by ISIS financier Abu Sayyaf and his wife, known as Umm Sayyaf. Al-Baghdadi took Mueller as a “wife,” repeatedly raping her when he visited, according to a Yazidi teenager who was held with Mueller and escaped in October 2014.

The 14-year-old made her way to Iraqi Kurdistan, where she talked to U.S. commandos in November 2014. Intelligence agencies corroborated her account and American officials passed it on to her parents in June.

Umm Sayyaf confirmed that al-Baghdadi had “owned” Kayla

during Umm Sayyaf's lengthy American interrogation in Iraq, the Muellers said they were told by American officials.

A senior administration official confirmed to CBS News senior White House correspondent Major Garrett the details of the report and what the Mueller family had been told and information gathered.
