## Scripture

I turn to the Word when I'm tired of books.

Supply me a philosophy whose source  
Is, at the very, very least, sedan'd  
Inside a book of some description, and  
Is not as universal as the sun.  
For everybody knows a mere divorce  
Will make a Nietzschean of anyone.

25 Richland Drive, Columbus, Ohio

The first time our Samsung freezer failed,  
The guy explained that this infirm device,  
Not having been defrosted, ever, flailed  
Beneath the solid custody of ice.

The next time our Samsung freezer failed,  
The guy discovered desiccated, sore  
Depressions in the rubber foam that trailed  
The edges of the steel & plastic door.

The third time our Samsung freezer failed,  
He blamed what seemed a barren hiss or a  
Defeated murmur on the scummy-scaled  
Evaporator's even viscera.

Suburban rage was Lysol on my skin  
Until I was awakened by the hard,  
Repulsive screech of monkeys warring in  
The trees above the swing set in the yard.

I slipped a slug into my 20-gauge,  
And stepped into the gentle bourgeois night,  
Anticipating apes upon the stage  
Delineated by my rifle sight.

The sky: a fire-blackened altarpiece.  
The trees were vacant. Nothing stirred above.  
The crazy dogs found nothing to release  
Their lunacy in the direction of.

And once inside, my mental ocean krill'd  
With cares, my essence sliding down the steep  
Suspicion I was mad, I sipped Pimm's chilled  
By ice the freezer now could make, and keep.

Obtain for Yourself a Teacher

Doctor Johnson's gentle wraith  
Taught me how to turn my prized  
Learning, Irony & Faith  
Into something civilized.
