

David Gaubatz, CAIR and the ISNA

by Jerry Gordon (July 2009)

David Gaubatz is probably the most intrepid of counterterrorism private investigators. His pioneering work in investigating extremist Mosques in America has documented the Saudi Wahhabi funding of three fourths of American Mosques. His [research](#) has developed metrics based on Shariah law that provide indicators of radicalism in these Mosques. We [noted](#) his considerable accomplishments:
