

Should Islam Be Classified as a Religion?

by Rebecca Bynum (February 2011)

The title of my new book, [*Allah is Dead: Why Islam is Not a Religion*](#), seems to have provoked some controversy. Many people assume I must be overstating the case and have summarily dismissed my thesis [without bothering to read the arguments](#) and even attacking a third party for defending it. The U.S. Department of Justice [weighed in on the controversy](#) during the Murfreesboro mosque hearings.
