

# Surviving the Bombers by Miklós Radnóti

translated from the Hungarian and edited by Thomas Ország-Land (June 2014)

The author of these pieces, Miklós Radnóti (1909-1944), was almost certainly the greatest among the Holocaust poets. His work in Thomas Ország-Land's English translation is featured in *Summer Grasses*, a major war anthology just published by the American Nuclear Age Peace Foundation and in
