

# The Bee and the Lamb

(Part 2)

by Takuan Seiyo (December 2011)

speech was to endorse the 1964 Civil Rights Act – a law that not only freed Blacks from unjust discrimination but replaced the concept of equal opportunity with government-enforced equal outcomes for unequals, hence a bleak future for all in a Parallel Universe la-la land.

Catholic media.

DHS [Number of employees: 200,000+, Primary mission: "[celebrate Ramadan](#). In addition to the direct costs, indirect costs of this to the economy have been [I felt I heard God's spirit beckoning me](#)." He elaborated further, 20 months after his effort at converting America into a Black Liberation Jerusalem had begun: "[Mujerista Theology](#) by Ada Maria Asisi-Diaz. The book wraps Marxism, radical feminism and postcolonial anti-White radicalism into one neat "Christian" package.

paideia, was once the forming template for a ruling elite as recently as Victorian England and pre-1930s proto-WASP America. *Paideia* is now a quaint word and forgotten concept, which is why we no longer have a Praetorian Guard. We are ruled by moronic clowns or clever pillagers, and know no better.

Paideia Institute in Sweden dedicated to the revival of European Jewish culture. The name is a singularly maladroit appropriation, for if there is something that *paideia* is not, it is Jewish culture.

Paul Among the People the 1st century world to which Paul brought his message of divine love and moral restraints. Slaves were considered on a par with dogs. Slave boys served for anal sex in a widespread and explicitly sadistic practice with dehumanizing intent. Babies were a disposable commodity, often killed by exposure. Commoners and slaves were subject to barbaric punishments, crucifixion by no means the cruelest one.

here, with a \$2.5 trillion net deficit projected in retirement costs alone.

(4) Jhvh is the unpronounceable Hebrew name of the Biblical God. Jutta is the name of the queen goddess of birds in Estonian mythology.
