part 1, [Europa screaming iron faces](#). Where was Germany when real people's faces were screaming 70 years ago? Rather than the lavish honoring of millions murdered who should not have been, a Memorial that could do more good now is for the screaming faces of autochthon *dhimmi* Germans 70 years from now. *That* screaming can still be averted, for the writing is on the wall, now (4).

super-salesman with a glued-on smile into pastor of the largest church in America, president of the National Association of Evangelicals, and spiritual godfather of the U.S. Air Force Academy. That's just a scratch of the surface of a massive feel-good industry rife with charlatans of every stripe. It's beyond pathetic.

this analysis of Sarrazin's critique by Germany's No. 1 intellectual Jürgen Habermas.

submit to the Laws of Islam."

(5) I wrote more about Fr. Tischner [here](#)). All those are unable to breathe without the mother milk of Jew-hatred, Protestant-bashing and fanatically exclusive claims on capital T Truth. On the other hand, the Vatican needlessly replaced the Tridentine Mass and various liturgical elements. Its new ecumenism has a character of too much making up for too late, particularly with respect to decidedly unecumenical Islam. Mainstream Protestant Churches have engaged in other forms of Mea-Culpism, primarily with respect to past race and sexual orientation "discrimination."
