

As Americans Vote

Think about Europe's looming demise as Islamist migrants turn to terror and violence. It can happen here, in the USA.

As Americans vote, probably only a handful are noting Europe's demise in progress and what that might portend for America and elsewhere.

The awful terrorist [in Vienna](#), to Austria's colonial sins or to Austria's having taken over mosques, something that Erdogan is busy doing in terms of turning churches into mosques.

No. These terrorist attacks are mainly due to the indoctrination of young Muslims into radical and violent Jihad against infidels.
