

At Phyllis Chesler's Book Release Party in New York, Sunday November 12

I'm afraid I don't have pictures of everyone there. Notable NER authors missing in the pictures below are James Como, G. Murphy Donovan and Evelyn Hooven.

It was held at the beautiful and spacious home of Nahma Sandrow and William Meyers

The food was delicious. Catered by Pini Ben-Ari of Olive Tree Caterers

Kendra Mallock and Phyllis Chelser

Samuel Hux and Daniel Mallock

Daniel Mallock, Kendra Mallock, Ibn Warraq and Rebecca Bynum

The room was bursting with scholars, lawyers, judges, psychoanalysts, novelists, psychotherapists, playwrights, poets, photographers, philanthropists, the retired President

of a university, a Yiddish literature professor and a few beautiful little children. A good time was had by all.
