

# Behind the Smile

by Richard Butrick

The Quran states unequivocally that Islam is superior to all other religions and must be made dominant over all other religions. This is most evident in three different verses: 61:9, 48:28, and 9:33. Here is the general thrust of all three:

*61:9 He it is Who has sent His Messenger with guidance and the religion of truth to make it victorious over all (other) religions even though the Mushrikûn hate (it).* (Hilali and Khan, *The Noble Qur'an*, Riyadh: Darussalam, 1996)

But aside from the explicit command in the three cited verses, the theme of the rightful domination over all other religions and cultures is implicit throughout the [post-Meccan](#) Koran and the imposition of Sharia (Gods law) is its greatest triumph. This has not changed one iota. The imposition of Sharia is still the aim of the spiritual leaders of Islam.

In the US, for example, the spiritual leaders of Islam, the imams, are [trained](#) by the [Assembly of Muslim Jurists of America](#), (AMJA) and many of them have attained influential positions in universities, Islamic centers, and mosques throughout the United States. It is the premier objective of [AMJA](#) to establish Sharia in North America and that includes death for blasphemy.

As al-Banna, the founder of the Muslim Brotherhood [wrote](#): "Jihad is an obligation from Allah on every Muslim and cannot be ignored nor evaded." [Added](#) al-Banna: *"It is the nature of Islam to dominate, not to be dominated, to impose its law on all nations and to extend its power to the entire planet."*

The Jews believe they are the chosen, The Amish believe they are the chosen. The Mormons believe they are the chosen. Such

belief is often accompanied by the belief that all others are going to Hell. But Islam is alone in inculcating the belief in their followers that they have the right and duty to shove their religion down everyone else's throat. Muslims are ensnared and mesmerized by the heady belief that they are God's chosen whose right it is to rule the world as the ubermensch and make serfs of the rest of us. That is a big [part](#) of the lure of Islam. The preening infidels are really the pigs and apes and it is the followers of Islam that are the true rulers and it is their mission and destiny to triumph. When Muslims have the upper hand it is by the [sword](#). If not, it is by [cunning and deception](#) (e.g. On 9/11, Hillary's Rasputin, Huma Abedin, was [working](#) for both Hillary and a Saudi organization with terror links; on January 20, 2002, a few weeks after his arrival in Karachi, Daniel Pearl was [lured](#) into a trap and kidnapped. Then his throat was cut, live on videotape, after he had been forced to say, "My father's Jewish. My mother's Jewish. I'm Jewish." His body was then dismembered).

And for you? Aping the [words](#) of President Obama, The Dupe of Islam, you will receive assurances that Islam is a religion of peace and inclusiveness and that Sharia is at one with the US constitution, all done with an ingratiating smile.
