

Bernie Sanders Comes Down Hard on Israel, About Which He Knows Little

Bernie Sanders doesn't much care for Israel. Nor does he know much about it. Both his ignorance and his palpable want of sympathy are on display in his recent Op/Ed for the New York Times, where he accepts uncritically the the charges made by Hamas against Israel this past week. He gets so many things wrong, as this article notes: "Bernie's Bile," by Jerold Auerbach, [Jihad Watch](#).
