

Biden and Bennett Meet For a 50-Minute Hour

by Hugh Fitzgerald

Like psychiatrists, who famously give their patients a “50-minute hour,” Biden gave visiting Prime Minister Naftali Bennett 50 minutes of his time, though at this point it appears that Bennett was the soothing psychiatrist and Biden the patient. A report on the meeting is here: “At first meeting, Biden pledges to Bennett that Iran will ‘never’ get nukes,” [Jihad Watch](#).
