

Boris branding Jihadists 'porn-driven losers' is akin to TERRORISM, claims leading Muslim

I don't think there are many people unaware of what London mayor [here](#).

However from the newspapers:

[Khalid Mahmood](#), a leading Muslim MP, attacked the mayor for his "crude" terminology. . . accused the Tory politician of promoting inaccurate views of young men susceptible to radicalisation. "It is those in higher education with in-depth knowledge of Islam who are more likely to become trapped by warped ideology." *A* in Practical Chemistry doesn't stop them being obsessed with porn and do what.*

There is an election in 99 days; we live in interesting times.
