

Brexit Party chiefs announce they will legally challenge Peterborough by-election result

From the [Mr Farage said](#) that the postal voting system introduced in 2001 was “wide open to corruption, to intimidation, to bribery, to abuse on a whole number of levels”. He continued: “If you say it’s sour grapes, you can say it, but actually it is time for change and my ambition would be that by the next general election to get rid of the current postal vote system.”

Wheelchair users and overseas service personnel are among those Mr Farage suggested should keep the postal vote.

In a presentation to a London press conference on Monday, Mr Tice said there was evidence that Tariq Mahmood had acted as an agent for the Labour Party. Mr Tice asked: “How much did Lisa Forbes, the elected MP, know that she had a convicted electoral fraudster in her team who would count as an agent?” Tariq Mahmood was jailed for fraud in 2008 and was pictured with Ms Forbes and Jeremy Corbyn.

Bookies’ had the party as clear favourites to win before the vote, with the odds slashed in Labour’s favour just minutes before the votes were declared. *The Bookies are not often wrong; however recently they were wrong about the Peterborough result and Tommy Robinson’s chances as MEP in the North West .*
