Cincinnati: Another University professor loses his job after trying to teach a Muslima

LIke the case in Cincinatti.com this week and Adams publicly apologized for his remarks two days after The Enquirer's story. I saw a list of rules some time ago about how to resond to an SKW attack – Rule 1 was 'never apologise'.

"As I reconsider what I wrote from an online student's vantage point, I now realize that I did come across like a religious bigot and that makes me feel horrible," he said in
