

Cuba: An opportunity to right the ship on Latin America

by Steve Hecht

If Joe Biden follows his new [role](#) in destabilizing Chile and is prominent in the communist [assault](#), including from Venezuela, Cuba and TCOs.

DOS favors socialists throughout the hemisphere, with only toothless condemnations of Cuba, Venezuela and Nicaragua. DOS [partners](#) with the successors of the Fidel Castro-supported guerrillas. Now that Guatemala's authorities are rebelling against DOS control of their justice system, the Biden regime is openly [BizPac Review](#).
