Egypt Closes 27,000 Mosques

How many should be closed in the US…in Britain…in France…neighborhood places of worship of less than 80 square meters (861 square feet), a move intended to protect young people from the militancy and extremism that can prevail in such places, which lack the legal standing to hold Friday prayers.

This move sets a precedent that raises many questions about the <u>80 square meters</u>. In reply, opponents of the decision such as the <u>mosques are time bombs</u> that threaten national security, as they fall outside the purview of the Ministry of Religious Endowments and are used to spread subversive ideologies.

At the same time, the ministry has <u>oration tests</u>, despite the ministry's previous and constant <u>Muslim Brotherhood</u>,
