

Eve Harow interviews Eric Rozenman

Journalist Eric Rozenman joined Eve in Washington DC to discuss his recent book “ Jews Make the Best Demons: Palestine and the Jewish Question”. How are medieval blood libels manifesting themselves today, and does the old UN resolution ‘Zionism is Racism’ fit with Satanic forces? A must read for those interested in a very well researched and documented book tracing how anti-Semitism morphs from generation to generation in order to stay ‘relevant’ for whomever at the time is looking for reasons to hate- and kill- the Chosen People.
