Former Chadian General Abakar M. Abdullah , a native of the Zagawa Tribe in Darfur, this writer and Deborah Martin have published a series of articles on the lies behind the Genocidal Jihad perpetrated by the regime of indicted war criminal, President Omar al-Bashir against the indigenous people of Sudan.

We [published](#) the details of the regime's agenda of the secret Arab Coalition Plan that Abdallah recovered in 2015 in the cab of a captured pickup truck of the Janjaweed Rapid Support Force (RSF) renamed by Bashir, as the Peace Force. That plan has been implemented with the objective of completing the ethnic cleansing on or before 2020. We [reported](#) on the RSF peace force and the recruitment, equipping, training and of a veritable Jihad Army of an estimated 150,000 Arab tribal fighters from the Sahel region, terrorist groups from Africa and the Middle East. That included fighters from the Islamic State deployed in 16 training camps around the capital of Khartoum. It is furtherance of the Bashir plan to create a regional Caliphate in Africa.

We [reported](#) on the evidence of the eradication campaign of the regime's peace force in Darfur and the Nuba Mountains and the deliberate provocations against Internally Displaced Persons

camps aimed at intimidating indigenous tribal people to flee into neighboring countries or urban areas.

We recently [reported](#) on the billions of dollars of funded Sudan mineral extraction, water
