

Haaretz Supports BDS

by Gary Fouse

Haaretz, Israel's leftist newspaper, has reached a shocking new low in [asked her](#) who was footing the bill for her travels. She answered that it was her book publisher, who was so happy with the "success of her book," a likely story as we used to say. Maybe I now have the answer to my question.

And last but not least, the absurd group of hysterical women known as Code Pink. They need no introduction.
