

Hamas, CAIR, and American Muslims

by Joseph S. Spoerl (February 2015)

A growing body of literature by capable scholars and investigative journalists has proven beyond a reasonable doubt that most major Islamic organizations in North America and Western Europe are, in one way or another, offshoots of the Muslim Brotherhood. By its own admission, Hamas, the Palestinian terrorist movement dedicated to the destruction of Israel, is also a branch of the Muslim Brotherhood. [more>>>](#)
