

Having An Effect: Sunni Boy Caught And Executed By Shi'ite Militias

[Here.](#)

Sudden thought: Could this be one more example of Arab propaganda, like the video of the “murdered Mohammad Al-Dura,” ascribed to the Israelis by Arab Muslims and their willing collaborators such as the French journalist Charles Enderlin? In other words, could the Sunni Arabs of the Islamic State now be doing to the Shi'a what Arabs of both kinds delightedly did to the Israelis? Could be. And it could also – unlike the Al-Dura set-up – be real.
