

How the American Heartland Perceives the Iranian Threat and Israel

What do the American people think about Iran's nuclear program and terror enterprise? Why do recent US polls show that Americans want PM Benjamin Netanyahu to speak before the US Congress? What does the American heartland think of Israel's tough policy against the intensifying Iranian terror threat? VOI's Dan Diker hears the answers to these questions from an expert panel: Washington, DC-based national-security expert Shoshana Bryen Senior Director of the Jewish Policy Center, former US Army Intelligence officer Jerry Gordon;, Senior Editor of the New English Review and US talk-radio personality Mike Bates.of 1330amWEBY, Pensacola, Florida.
