

If It's Ramadan, It's Jihad Season

At least 40 people have been killed and 100 others injured, Russia's Federal Security Service said.

[The US and UK had warned Russia of an imminent attack just a few weeks ago, apparently]

Shootings, explosions and a fire at a concert hall Friday evening in Russia are being investigated as a [terrorist attack](#), the country's top investigative agency said.

[Russia's Federal](#) Security Service said that at least 40 people had been killed in the attack and more than 100 others are

injured in one of the deadliest attacks on the country in years.

The attack began when gunmen donning combat gear burst into a Moscow-area concert and open fired, killing at least 40 people.
