

In 'Progressive' Madison, Wisconsin, an Outbreak of Antisemitic Hate

Jim Hoft of the *Gateway Pundit* reported on a *Ha'aretz* article on an outbreak of Antisemitic screed spray painted on garage doors in liberal Madison, Wisconsin, ["Thirty Madison, Wisconsin Homes Spraypainted With Anti-Semitic Slurs."](#) A h/t to Ken Lamb of Pensacola for forwarding this hate screed attack plastered on garage doors in Wisconsin's capital. However, as the *Ha'aretz* report notes there were over 30 such reports of Antisemitic hate reported in Madison in 2014. Perhaps time for Gov. Walker to investigate the hate mongers ringing Lake Mendota. Are these KKKers, white supremacists? How could this ferment occur in liberal Madison?

At least thirty Madison, Wisconsin homes were spraypainted with anti-Semitic slurs this weekend.

[Haaretz](#) reported:

At least 30 homes in Madison, Wisconsin, were vandalized overnight Friday, some with anti-Semitic slurs and swastikas.

Other residents awoke to derogatory words geared toward women and other minorities sprayed on their homes, cars, garage doors, mailboxes and driveways, according to the Coordination Forum for Countering Anti-Semitism.

One resident, Jim Stein, told Wisconsin television station WISC TV, "Everyone in the neighborhood is pretty upset."

Stein woke up Saturday morning to discover "F- Jews" scrawled on a garage door across the street and a swastika

on the driveway.

"It was, of course, extremely disturbing to me," Stein, who is the president of the Jewish Federation of Madison, told the station. Other graffiti included a garage door defaced with the words "KKK Bound."

There have been over thirty confirmed antisemitic incidents reported in Wisconsin in 2014.

[JS Online](#) reported:

There were 33 confirmed incidents of anti-Semitism of those reported in 2014, compared with 13 a year earlier, the audit says.

They included an unprecedented number of swastikas drawn on public and private property, continued harassment of Jewish middle and high school students, and attacks on Zionism and Israel that went beyond legitimate political criticism to attack Jews personally, according to the audit.

Among the confirmed incidents:

?At least nine swastikas were drawn, carved or painted at various places, including public streets, the driveway of a Jewish high school student's home and in an elevator of a Jewish institution. Swastikas and a Star of David were carved at two golf greens, causing \$5,000 in damage. Another included a reference to "1488," a known white supremacist symbol.

?A man entered a Jewish facility shouting "All Jews will (expletive) burn."

?At one business, a hairdresser told a potential client that she doesn't cut "Jewish hair." At another, an employee called his boss a "stingy Jew" when he refused to give him a raise.
