

‘ISIS collaborator’ arrested in Majorca after posing DIRECT THREAT to tourists

From [*The Local*](#)

Italy has dismissed a report in a German newspaper warning that terrorists were planning attacks on beaches in Italy, Spain and France.

In a sensational report on Tuesday, the German daily, [Spain's Costa del Sol](#), and unnamed Italian beaches.

The newspaper also quoted Seck Pouye, the chief of police in Senegal, who said that the terrorists, from the Boko Haram Islamist group in Nigeria which allies itself with Isis, planned to radicalize regular travellers between Senegal and Europe to carry out the attacks.
