

# Islamic State terrorists kill 11 Christian (and a Muslim) captives on Christmas Day

*From the [Daily Mail](#) and Nigerian blogger [names of the hostages last week.](#)*

The killing comes few hours after Boko Haram jihadists killed seven people on Christmas Eve in a raid on a Christian village near the town of Chibok in northeast Nigeria's Borno state.

Dozens of fighters driving trucks and motorcycles stormed into Kwarangulum late Tuesday, shooting fleeing residents and burning homes after looting food supplies.
