

"It looks like it's on." El Chapo vs. ISIS

[which was leaked by the website Cartel Blog](#) ⇨, Guzmán sent a stark warning to ISIS leader Abu Bakr Al Baghdadi about messing with the cartel's business.

"You [ISIS] are not soldiers," Guzmán purportedly wrote. "You are nothing but lowly p**. Your god cannot save you from the true terror that my men will levy at you if you continue to impact my operation."

Guzmán added: "My men will destroy you. The world is not yours to dictate. I pity the next son of a whore that tries to interfere with the business of the Sinaloa Cartel. I will have their heart and tongue torn from them. It looks like it's on."
