

Jeremy Corbyn joins smoke grenade-touting pro-Palestine protestors at Downing Street

The [tweeted by Col Richard Kemp](#), formerly of the British army, terrorism expert and supporter of Israel. I don't know who the young woman is but she is on a flyover on the M1 (the main motorway between London and Yorkshire if you are not familiar with England's roads) at Toddington Services by the Milton Keynes turnoff. Others were on the bridge at Mill Hill.

The [another car](#) sortie into the Jewish areas of London, Golders Green again and/or Stamford Hill in Hackney are causing concern; the police say they are 'gathering intelligence'.

A still from a [He writes](#)— The racists are back. 20 cars max.

Back driving through Jewish neighborhoods to intimidate and scare. Didn't see them protest Assad's murder of pals or China's Uyghur camps. It's called antisemitism. "
