

Jews Barred from Attending Warwick University Eugenic Libel Event

by Sally Ross

Two nights ago, the University of Warwick Faculty arranged a public talk organized by a group called Warwick for Justice in Palestine that accused Israel of eugenics.

As with most medical or technological innovations, Israel is a global powerhouse in fertility treatment.

“Every Israeli citizen, regardless of race, religion or color, receives equal treatment. If you are Muslim and in need of IVF then no citizenship in the world, guarantees you the sort of world-class treatment that being an Israeli does.” Says David Collier,
