

# Jihadis in Canada Hiding in Plain Sight

By Geoffrey Clarfield

This article from [Act for Canada](#) is very pertinent. Read all about it.

## *Al-Fuqra: America's Forgotten Terror Network*

*For 40 years, this Pakistani-linked cult built compounds,  
trained soldiers,  
and hid behind nonprofit status*

*For decades, Americans have been told that Islamic Jihad was always "over there." Those terror cells don't grow in our neighborhoods. That religious cults don't train for war inside U.S. borders. That if they did, surely the government would stop them.*

*All of that is a lie.*

*Al-Fuqra didn't just exist; it thrived. It builds compounds. Recruits from prisons. Trains for jihad. Hide behind nonprofits. And grows daily.*

*This isn't theory. This isn't speculation.*

*It's **proven. Documented. Convicted.***

*And what follows will shatter what you thought you knew.*

The rest [is here](#) and concludes –

*So don't just read this. **Send it to your sheriff.** Send it to your governor.*

*Ask your Congress member why a designated terror group is still holding tactical drills on U.S. soil.*

*And ask yourself what happens when the next Glen Francis*

*decides to act.*

**Denial time is over. So is the fantasy.**
