

Mahmoud Abbas Celebrates His Shahids For Killing Jews In The Jihad Against Israel

But he marched in Paris. No contradiction there. By being in Paris, he is furthering the Jihad against Israel, and that means the world-wide Jihad (which is merely the sum of all local Jihads). And he knows that his fellow Arabs understand what he's up to and that his fellow non-Muslim marchers, including those leaders he's so careful to position himself next to, mostly do not. They don't want to read, or hear about, [evidence](#) such as this.
