

Man in custody after stabbing in Sydney CBD leaves woman dead

The coverage of this murder is getting interesting. Early reports mention the large blood-stained knife, the slit throat of the dead woman (a jihad MO) and the cry of Allah Akbar. One of the oldest reports is from the [Sydney Morning Herald](#). The most recent either say he had 'no terrorist connections' or play up that the 'terrorist material' found on him was to do with Christchurch and Texas and his possible mental health history. According to
