

Manchester Arena bombing trial live: Updates from Old Bailey as Hashem Abedi found GUILTY of every charge he faced

From the [anyone – families – wished](#) to attend the sentencing hearing and 'perhaps give evidence'.

The judge told the jurors he wanted to give both the prosecution and the absent defendant opportunities to make submissions before he passes sentence. He said they were all welcome to attend that hearing but he said he would think no less of them if they decided against it.
