

Mohammedan Mob Forbids Wearing of Santa Hats in Indonesia but Dons Santa Hats – indeed Santa Costumes – for Propaganda Jihad Against Jews in Israel

In Islam, expediency rules.

Whatever furthers the Jihad, the struggle to make Muslims dominant and/ or to enforce sharia compliance, is permissible. In Indonesia Muslims rule, so the most pious Muslims then strive to force full sharia compliance: Muslims ought not to wear Santa costumes. But in so-called 'palestine' – that is, in Muslim-occupied Judea and Samaria – Muslim Arabs who during Christmas time, when the eyes of the infidel world and its media are focused on Bethlehem, use this time to wage jihad against the Jews, don Santa Claus costumes so as to further the propaganda aspect of their jihad... to subliminally suggest – via the widely-promulgated images of these faux Mohammedan Santa Clauses, these wolves in sheep's clothing – that the Joos are attacking Santa, Christmas, Christianity.

This story has to be seen, with its attendant pictures, in order to grasp the extent to which Islam is governed by sheer expediency, and the depth and perverseness of the types of deceit that Muslims naturally and frequently engage in.

“Palestinians Dressed as Santa Claus Clash With Israeli Forces

in Bethlehem”.

That ought to be – “Wolves in Sheeps’ Clothing: Muslims in Santa Costumes Attack Jewish Soldiers in Bethelehem in Judaea”.

‘Palestinian protestors (*sic: Muslim rioters – CM*), some festively dressed as Santa Claus (*sic: “some wearing Santa Claus costumes to fool western useful-idiots into siding with their genocidal Jew-hatred” – CM*) have clashed with (*sic: rather “provoked and attacked” – CM*) Israeli security forces (*Jewish Israeli law enforcement officers and soldiers- CM*) in Bethlehem (*sic: that should be – “in Bethlehem in Yehudah” – CM*), a day before the beginning of Christmas celebrations in the West Bank city revered as the birthplace of Jesus (*sic: ‘in the city in historic Judea in the land of Israel where Jesus was born” – CM*).

‘Holding Palestinian flags, the demonstrators, who gathered at an Israeli military tower to protest against (*with the claimed excuse of protesting against – CM*) U S President Donald Trump’s recognition of Jerusalem as Israel’s capital, were pushed back by the soldiers who also used stun grenades and tear gas to disperse the protest (*sic: to repel the mob attack – CM*).

‘There have been regular protests (*sic: riots – CM*) by *Palestinians and pro-Palestinian groups across the Middle East* (*sic: by local Muslims and by other Muslims of assorted ethnicities in many places – CM*) since Mr Trump announced his decision to move the US embassy to Jerusalem earlier this month.

I hope he hurries up and makes the move. And then surrounds it with US marines charged with shooting to kill any mohammedan mobster that tries to attack it. – CM

‘Defying the United States on Thursday, the UN General Assembly (*sic: The UN General Assembly, dominated by the*

Islamintern and its fellow-travellers, Muslim and non-Muslim Jewhaters and America-haters, Useful Idiots, and outright cowards – CM) approved a resolution calling for the United States to drop its December 6 recognition of Jerusalem – a *city revered by Jews, Muslims and Christians* (sic: the Jews' central and most important historic and religious site, which is of significance to Christians because Jesus the Jew preached and died and was resurrected there, but to which Muslims – for whom it is in fact of negligible significance – lay exclusive claim in order to spite both Jews and Christians – CM), as Israel's capital.

'Resident of Bethlehem (sic; Muslim squatter in Jewish Bethlehem – CM) Mohammad Al-lahham said the Santa costumes were worn to send a message to *Palestinian* (sic: local Arab mostly-Muslim – CM) children.

“Our message is a message to the children of Palestine (sic: *Muslim children in and around Israel; whenever one hears the word 'Palestine' in a Muslim mouth one must bear in mind that such speakers always mean all of historic eretz Yisroel; and that our Mohammed Al-Lahham would envisage either an Arab Islamic state of 'Palestine' in which there were no Jews at all, all the Jews having been either driven out – as Muslim Jordan drove out and then kept out all Jews from the Old City of Jerusalem, when Muslim Jordan seized the heart of the City in 1948 – or else killed; or else in which there was an oppressed minority of Jews forced to live as Dhimmis, to be tormented at will by their rapacious and capricious Muslim overlords. – CM) that Papa Noel (Santa Claus) comes to the displaced and suffering people to give the gifts children of Palestine are deprived of”, he said. “Today we are dressed like Papa Noel to give gift which is the resistance on our land”.*

In other words, this vicious Mohammedan supremacist has appropriated – stolen, or perhaps, kidnapped and taken hostage? – Santa Claus, for the purposes of Jihad; physical

jihad and propaganda jihad. His audience is not only those pickled-in-Jewhatred cradle-Muslim 'children of Palestine', who can be seen aplenty on MEMRI, in Hamas and Fatah kiddy TV shows, or in youtube clips produced by their proud Muslim parents, waving knives, chirping in childish voices their desire to murder Jews; it is also the empty heads in the Western world who are only too eager to buy the mohammedan theatre of victimhood, and whose latent antisemitism is sweetly titillated by the image of poor dear Santa Claus being mistreated by the evil weapon-toting Jo000. – CM

“A message to the children of Palestine is that we are on the path to freedom, to [get] Jerusalem. Papa Noel distributes gifts and the occupation distributes bombs today. (Nonsense-and-lies; the bombs are the suicide bombs that Muslims exploded, over and over, amongst the Jews of Israel, choosing especially to target locations where there were women and young children; it is the bombs that Jihad Armed Camp Gaza fires indiscriminately into civilian-inhabited areas of Israel, and which fail only because of Israeli cleverness and preparedness. – CM). These are the bombs that the Israeli occupation is distributing today, at Christmas.“...

Note well that sly and probably whining invocation of a festival for which, as a pious Muslim, Mr Lahham would in fact feel boundless contempt. Mr Lahham is a Muslim. Mr Lahham surely knows all about shirk, and not assigning partners to Allah, and therefore, despises Christmas, which involves the celebration of the birth of the incarnate Word of God; as a Muslim he is supposed to view the few Christians left in Bethlehem as people to be despised, abused, exploited, never befriended, though they are temporarily useful in the furtherance of the Jihad against the Jews. I would bet good money that Christmas is not something he himself cares two hoots about. He is merely making use of Christmas, as he makes use of Father Christmas/ Santa Claus, for propaganda purposes, for the Jihad. War is deceit.

Only those Infidel observers with attention spans greater than that of a gnat will bear grimly in mind, as they examine those pictures, other images: the image of the Christians' Santa Claus depicted with bound hands ready to be beheaded by Islamic State jihadis, as recently spread abroad by Islamic State propagandists, and the reports of furious Islamic denunciations of the wearing of Santa costumes for fun or for commercial purposes, in Indonesia, and understand what is really going on when Mohammedan mobsters in and around Bethlehem of Judaea get themselves up in Santa costumes before going out a-rioting. – CM
