

# Moving from Realty to Abstraction

**Speaking directly from the Stalinist/Leninist/Maoist playbook,** Milwaukee district attorney John Chisholm once said, “Is there going to be an individual I divert, or I put into treatment program, who’s going to go out and kill somebody? You bet,” [Chisholm bluntly stated](#). “Guaranteed. It’s guaranteed to happen. It does not invalidate the overall approach.”

Something often ignored is that Islam lies at the end of the progression from reality to abstraction. Under Islam, human beings count for nothing except in their usefulness in the maintenance and spread of Islam. Islam is everything, human beings are nothing.
