

Not Exactly The Whole Story

Just one of the many stories about people vaguely identified as this “couple,” these “suspects,” their “violent extremist videos”:

Germany: Suspects' Videos Found

By AP

Violent extremist videos were found on a computer belonging to a couple suspected of preparing an attack on a cycling race, a police official said Saturday. The official, Udo Buehler, a spokesman for the criminal police office in Hesse State, said the videos were found at the home of the couple in Oberursel, near Frankfurt. The police seized weapons and chemicals at the home on Thursday.
