

Palestinian Authority Cancels Entire Deal to Receive Vaccines From Israel

by Hugh Fitzgerald

No-Good-Deal-Goes-Unpunished Department:

The PA on Friday cancelled a deal to receive between 1 and 1.4 million doses of COVID-19 vaccine from Israel, claiming that the first shipment of 90,000 doses showed an expiration date earlier than what the PA had been promised. The story is here: "Palestinians Cancel Deal for 1 Million COVID Vaccines From Israel," [Jihad Watch](#).
