Ritzheimer, the main organizer of the demonstration, said the point of the demonstration was “to expose the true colors of Islam.”

“True Islam is terrorism. Yes, the ones that are out committing these atrocities and stuff, they are following the book as it’s written,” Ritzheimer told CNN.

Ritzheimer was a staff sergeant in the Marine Reserve and was deployed to Iraq twice, in 2005 and 2008, the Marine Corps said.

And of course, ISIS has posted his address and threatened both him and his family.

Ritzheimer said he’s received threats from terrorists on Twitter, and that he and his family no longer feel safe in their home.
