

Police shoot 'knifeman' in Belgium just minutes after London terror attack

From [Russia Today](#) the attacker is female; other sources also say male.

According to Belgian news site HLN, a dark-skinned woman attacked two passers-by with a knife on the Bevrijdingslaan street in central Ghent. The woman reportedly stabbed one of her victims in the stomach. Armed police officers neutralized the woman with a gunshot to the hand, and she was taken into custody.

This attack happened just minutes after police in London shot a man dead after several people were stabbed in Streatham. According to
