

Regarding the Invitation from Earlier Today to My Conversation with UK-Based Feminists Against Antisemitism

By Phyllis Chesler

I understand that part of my [article](#) from earlier today caused a bit of confusion. To clarify, I'd like to repeat that the date mentioned in the title is only when the interview will be recorded, not when it will be released. The release date is, as of this moment, to be determined, but I will be sure to notify all of you when the video is available. Thank you for your support and my apologies for any headaches.

And once again, I invite you to watch the interview, when it's released, for a thought-provoking and all-encompassing conversation between Susan McDonald and myself. It is not to be missed.
