

Russia Scholar Debunks "Russiagate"

Stephen F. Cohen, an American Russia scholar, on why he doesn't believe the *New York Times*, doesn't think the DNC was hacked, and just wants the U.S. and Russia to get along. He wrote a biography of the Bolshevik revolutionary Nikolai Bukharin and is a contributing editor at the *Nation*, which his wife, Katrina vanden Heuvel, edits and publishes. Common sense at [Slate](#).
