

'Selfie-girl' at anti-Muslim protest apologises for anti-Semitic remarks

☒ [photos of her selfies](#), taken by Jurgen Augusteyns and published by Vice, were shared by thousands of supporters around the world.

However, it has since emerged that Belkhiri has posted several anti-Semitic remarks on her social media channels.

In one 2012 tweet she wrote: "Hitler didn't kill all the Jews, he left some. So we know why he was killing them."

And in a 2014 Facebook post she said of Jews: "I hate them so much."
