

Shakespeare's Conservatism

Enduring

by David P. Gontar (August 2016)

"Now we speak upon our cue, and our voice is imperial." -
Shakespeare

I. Introduction

Shakespeare doesn't change. We do.

Not too long ago, in a story titled "College Faculties a Most Liberal Lot" (3/29/05), *The Washington Post* reported that the vast majority of university professors, (72 – 87%), are liberals. In 2016, especially as to the humanities, this disparity has doubtless grown. [more>>>](#)
