

Support the Rapists in Dewsbury today – my brother is innocent.

This group featured in the [Channel 4 documentary](#) in May and [this report in the Daily Mail](#) the same week.

Irfan Khan of Batley

Samira Khan insists that her brother Irfan Khan from Batley, (right) who was sentenced to 12 years and five years extended licence for three offences of rape and an offence of [making threats to kill in 2024](#) is innocent. And so are many others convicted of rape and sexual assault as 'the white girls lied for compensation'

This isn't their first demonstration . But it has caught more attention than the February event in Leeds.

RACIST TRIALS - THE SCANDAL OF INJUSTICE!

SYMPATHY FOR VICTIMS

WE WANT TO EXTEND OUR HEARTFELT SYMPATHIES TO ALL THOSE WHO HAVE SUFFERED FROM ABUSE. THE PAIN AND TRAUMA INFLICTED UPON THESE INDIVIDUALS MUST BE ACKNOWLEDGED.

MISLEADING MEDIA FOCUS

IT IS ALARMING THAT MEDIA OUTLETS PERSIST IN USING THE TERM "ASIAN GROOMING GANGS," OBSCURING THE BROADER CONTEXT OF CHILD SEXUAL ABUSE, WHICH EXTENDS WELL BEYOND THIS NARROW FOCUS.

IMPACT ON THE COMMUNITY

THE ONGOING NARRATIVES CONTRIBUTE TO A DIVISIVE ATMOSPHERE WITHIN OUR SOCIETY, CREATING RIFTS AND PROMOTING POLARISATION.

LIVING IN FEAR

MANY FAMILIES WITHIN OUR COMMUNITY ARE NOW LIVING IN FEAR DUE TO THESE STIGMATIZING REPRESENTATIONS, WHICH EXACERBATE EXISTING TENSIONS

We are committed to ensuring that our **DEMONSTRATION** articulates these critical points and encourages a balanced and informed discussion on the topic.

Samira, or the person running the @fightinforfair X account, which may be another woman, has tried to convince that she/they have sympathy for what they consider to be genuine rape victims, and that their 'fight' includes families of white men protesting their innocence, but the exchange below on the occasion of their earlier demo suggests their main concern.

The new right-wing agenda about grooming gangs is seriously affecting the Muslim community. We believe that we need to demonstrate in order to show that this is heightening a split and creating a racist agenda. We want to show that we have more in common than we do differences.

I have heard allegations that Samira and her cronies intend to read out the names of the abused girls (protected by law, other than some brave woman, now adults, who have waived their anonymity so that they can campaign freely) so as to accuse them directly of lying. If they do this will constitute a Contempt of Court, no matter how many years ago the trials took place. The police should therefore be able to take action, although whether they will is another matter.
