

Sydney: Muslim Man Arrested and Charged After Two Violent Rapes

In at least one of the various reports this ethnically-Turkish (to go by his surname) Muslim rapist – who snatched one of his victims, a thirteen year old girl, straight off the street in broad daylight – is pictured and can be seen to be wearing the typical Islamic beard as prescribed by the Sunnah – a mass of bushy chin-hair but a weirdly-bare upper lip. And although there are violent rapists not a few within the general Infidel population they cannot justify their conduct by referring to non-Muslim law or religion; whereas the fact remains that the conduct of Muslim rapists mirrors that of their cult-founder. Mohammed, the 'perfect man', an 'excellent example of conduct', whom all pious Muslim males are enjoined to imitate in every detail, was a rapist and slave-trader who felt entitled to seize non-Islamic females and use them as he pleased and who approved of his followers doing likewise.

Here is the ABC's Siobhan Fogarty reporting on an ugly episode that does not surprise any person who has been following the news out of Europe lately, or who is aware of what Muslim males routinely do to females of the vulnerable non-Muslim minorities in Islamic Egypt or Islamic Pakistan, not to mention the many, many Muslim kidnappings and rapes of non-Muslim females in Northern Nigeria and in Iraq and Syria.

'Man Charged With Two Sex Attacks After High-Speed Bondi Chase'

'A man charged with two sexual assaults, including one where a 13 year old girl was allegedly held at knifepoint, has been

refused bail.

'Mustafa Kayiri, 26, was arrested at Bondi on Saturday after a police pursuit through the suburbs.

'Police said the first alleged attack happened last Sunday, when a 22 year old woman was assaulted and robbed by a man armed with a black handgun in a CBD motel.

'On Friday a 13 year old girl was allegedly kidnapped by the same man in Parramatta and sexually assaulted.

'Appearing at Parramatta Bail Court via video link on Sunday afternoon Kayirici was refused bail.

'Kayirici's face was heavily bruised and his left eyelid closed up. The court was told he had blurred vision in his right eye.

Oh, poor little Muslim rapist and kidnapper! Cue the cries of 'police brutality' and 'racism' in 3, 2, 1... Other reports upon this episode indicate that the injuries (serves him right!) were basically self-inflicted, sustained a/ when he crashed his car whilst fleeing from the pursuing police who had presumably identified his car from the testimony of his victim or by other means such as CCTV footage, and b/ when he – with extreme violence, as witnessed by bystanders – subsequently resisted arrest. – CM

'He argued with his legal aid lawyer Alexander Reetov, demanding he represent himself.

Observe the arrogance and total disconnect from reality. – CM

"Right now I'm innocent".

All Muslims, according to the Mohammedan world view, are categorically innocent (unless declared to be in breach of the sharia by someone more-Islamic-than-thou) and all Infidels qua Infidels are categorically guilty. The more deeply Islamic

he is the less likely he is to perceive himself as having done anything wrong at all, in treating infidel whores and sluts exactly as Islam tells him they require to be treated. And brazen denial of wrongdoing is also hardwired into the honor-shame mentality that Islam inculcates. – CM

"They're accusing me of stuff I didn't do", he said.

The evidence on his own mobile phone, proudly filmed by himself, decrees otherwise. As does the testimony of his terrorised victims. – CM

'Police said the child victim was walking along a Parramatta street about 8 am on Friday when she was allegedly grabbed.

'It is alleged Kayirici drove off with her in his car and sexually assaulted her at Merrylands, Telopea, Ermington and Homebush.

'Police said the assaults occurred between 8 am and 1 pm.

In broad daylight. He grabbed her off the street in broad daylight and raped her, repeatedly, in broad daylight. – CM

'Kayirici is facing multiple charges including 12 counts of aggravated sexual assault against a person under 16.

'Police prosecutor Sergeant Ben Bragger strongly opposed bail, saying female members of the community could find themselves in "extreme danger".

Police do not say things like this lightly. If they think he's a menace then he is. It is a pity that he or his parents were ever admitted into Australia. – CM

"It is an extreme offence and if convicted he could spend the rest of his life in prison", Sergeant Bragger told the court.

"It is a strong prosecution case. Bail would be unthinkable."

'Magistrate John Bailey told the accused he represented a huge risk to the safety of the community.'

The evidence presented by the police must have been pretty damning. – CM

'Police said neither of the females were known to the alleged attacker.'

'Kayirici was spotted driving through Bondi on Saturday by police, and chased through a public park, before his car crashed near the junction of Old South Head Road and Flood Street, where it became wedged behind a bus stop.'

'He was taken to Waverley Police Station before being treated in a hospital.'

'Detectives from the Sex Crimes Squad are leading the investigation.'

'He is due to appear in Central Local Court via video link on June 30.'

Now for the Sydney Morning Herald version, which tells us just how this creature acquired the injuries that were visible in his court appearance.

'Man Charged Over Violent Sydney Sex Attacks'

'A man has been charged over two violent sex assaults in Sydney, including one in which he allegedly kidnapped a 13 year old girl at knifepoint.'

'Police say the first attack happened early last Sunday morning, when a 22 year old woman was sexually assaulted and robbed in an inner-city motel room by a man armed with a gun.'

'On Friday morning the 13 year old was kidnapped in Parramatta'

and sexually assaulted at various places around southwest Sydney.

'Police say that when they tried to stop the 26 year old man in his car in Bondi on Saturday morning, he refused to stop, leading police on a pursuit through the area until he crashed into a parked car.

'Witnesses say the vehicle was driven off Orr Street, through a park and along the footpath of Old South Head Road, before crashing into a bus-stop and the wall of a residential block on the pavement of the busy eastern suburbs road. The Ford crashed into a parked vehicle, police said.

'Around 15 police cars are said to have responded to the incident, including undercover police and highway patrol vehicles.

'Undercover detectives wearing bullet-proof vests were seen running to the scene and both lanes of the road were temporarily closed.

'One Old South Head resident said the driver "put up one hell of a fight" before being arrested.

"I was sitting next to the window having breakfast... Fortunately he didn't hit my fence, but he jammed himself up there", the witness said. "There were about four police cars behind him and police coming the other way. Without any exaggeration, there were 15 police cars here in about one minute. The police were attempting to remove him from the car and he was putting up one hell of a fight against them."

'The 26 year old has been charged with a string of offences, including 12 counts of aggravated sexual assault against a person under 16 years of age, robbery whilst armed, and kidnapping..".

Following in the footsteps of the rapist, child-rapist,

caravan-robber and slave-taker, Mohammed. – CM

'Man Charged After Two Alleged Sex Attacks in Sydney

'A Sydney man (i.e. Sydney-based Muslim man – CM) allegedly raped a young woman he met through an escort agency, before going on to kidnap and rape a 13 year old girl from the city's west five days later.

'The alleged sex offender's time on the run came to a dramatic end on Saturday when his car ploughed into a bus stop on a Bondi street during a car chase with police.

'Detectives had been searching for Mustafa Kayirici, 26, since June 19 after a 22 year old woman was allegedly sexually assaulted and robbed in the CBD.

Click on the link; this is the article that showed him sporting his typical 'jihadi beard', the type of beard usually affected by super-pious Mohammedans. – CM

'Five days later, on Friday, he allegedly kidnapped a 13 year old girl in Parramatta. It is understood Mr Kayirici did not know the teen but managed to lure her to him.

And then got out the knife... – CM

'At a dramatic hearing in Parramatta Local Court on Sunday, police prosecutor Sergeant Ben Bragger said bail would be "unthinkable".

'Mr Kayirici appeared via video link, his face badly bruised and his eyes swollen almost shut. The court heard he had blurred vision only in his right eye.

I don't feel sorry for him one little bit. He did it all to himself. Had he quietly submitted to arrest when first challenged by police, he would be just fine. Instead he bolted, crashed his car (which probably accounts for some of the injuries) and then ran amok whilst being arrested. I observe we are not given the details of what physical injury he inflicted on his two victims, including the 13 year old girl; but we are told the assaults were 'violent' and given the energy the police devoted to the chase and the arrest, and the urgency with which they demanded that bail be refused, those injuries cannot have been trivial. – CM

"They're making out I'm an evil person, like I'm a paedophile rapist predator", he said.

Yep. That's exactly what you are , mate. You seized a 13 year old girl off the street in broad daylight and repeatedly, violently sexually assaulted her. – CM

"I'm all over the news and it's wrong".

You would say that, because as a Muslim you've been taught a massive sense of entitlement vis a vis the filthy Infidels, haven't you? In the sharia the testimony of a Dhimmi is always overridden by that of a Muslim. And the testimony of females, in any case of sexual misconduct, is not admitted. – CM

'He promptly withdrew instructions from a Legal Aid solicitor and insisted on representing himself in his application for bail.

"This is completely a lie", he said of the allegations against him.

I believe the police and the victims, mate. You're just doing what malignant narcissists – and Mohammedans are raised in a cult that programs people to be malignant narcissists with a truly megalomaniacal sense of entitlement – always do even

when caught red-handed. For more on the mindset of the likes of Mustafa Kayirici, our readers should consult the writings of psychologist Niccolai Sennels, notably his book "Among Criminal Muslims". – CM

"He said that he took "camera footage" when he slept with women so they couldn't "cry rape" after the fact.

"The point is, I've got it all on footage. I know I'm innocent. I did not know that this person is 13'.

Really? – CM

'She lied about her age (*Really? – CM*). Everything is consensual" Mr Kayirici said.

'He asked whether his 'missus' or other family members were in court.

"There is nobody here" Magistrate John Bailey said.

'Sergeant Bragger told the court that "significant evidence" that was "highly inculpatory" of Mr Kayirici had been uncovered, including evidence in his car, and CCTV footage "showing the two parties together".

'The case could already be described as "very strong", Sergeant Bragger said.

*I'll bet my bottom dollar, given the urgency with which the police acted and the urgency that they are exhibiting in court, that all the phone footage boastfully shot by the mohammedan rapist and kidnapper, together with the CCTV footage, makes it pretty damn plain to any sane and decent Infidel that neither female wanted anything to do with Mr Mustafa Kayirici and that they were most emphatically **not** consenting to what he was doing to them. – CM*

The two cases were similar enough in nature for there to be grave concerns that "female members of the community" would be

in “extreme danger” if Mr Kayirici were released on bail, he said.

‘Magistrate Bailey refused bail, saying that Mr Kayirici was “a huge risk to the safety of the community.

‘Fairfax Media understands Mr Kayirici had arranged to meet the 22 year old woman at a Park St motel through an escort service.

‘He is accused of turning up to the appointment with a gun, before assaulting and robbing the woman.

Exactly as happened in a recent case – also involving a Muslim and an infidel ‘lady of the night’ – that came before the courts in Canberra. Memo to Infidel ladies of negotiable affection; if the ‘john’ is in fact an ‘Ali’... don’t. Just don’t. Steer clear of Mohammedan customers, for they cheat, rape and rob. – CM

‘Mr Kayirici, who was carrying a knife, allegedly sexually assaulted the 13 year old girl on Friday at various locations in Sydney...

‘It is unclear how the teenager got away.

Perhaps the cops aren’t saying in order not to give other potential predators ideas about how to keep their prey from escaping. – CM

‘On Saturday morning police tried to pull over a silver Ford sedan Mr Kayirici was driving on Bondi Rd, but he allegedly led them on a chase...”.

Why did Australia feel the need to import Turkish Muslims like Mr Kayirici (or perhaps, his parents, if he was born here)? Or any other kind of Muslim? The more Muslims we have in our midst the less safe we are; and the most vulnerable amongst us, such as the 13 year old girl that this Mohammedan rapist seized off the street in broad daylight at knife-point,

are the least safe. – CM
