

# Terrorist and radicalised inmate convicted of trying to kill guard at top-security jail

*From [“The document sets out support for ISIS and calls for participation in suicide attacks against enemies of Islamic State. The statement calls for the restoration of the Caliphate.”](#)*

The court heard how one chilling extract from the note read: “Oh don’t hesitate’, oh Knights of Islam. To sacrifice your souls for Allah, depending on your state, Shayteen (satan) tries to put doubts in your minds but ignore him and fulfil your duties to sacrifice your souls for Allah.”

A document found in Hockton’s cell read: “May Allah make me and you the best Shouhada (martyrs) very very soon and remove the whispers of Satan from us”, the court was told.
