

# The Brexit Party doing very well – alas Tommy Robinson is not elected

Results are coming in thick and fast from the EU elections which were held on Thursday in the UK and over the weekend in the rest of Europe.

Initial results are that The Brexit party came first in Eastern England and that region will return three Brexit Party members. They are also the biggest party in Wales.

The full [virtual news censorship](#), barred from Facebook, Instagram and Twitter, physically attacked by milkshake throwers and a Muslim mob.
